

Trends in the cinema of the nineteen-hundreds

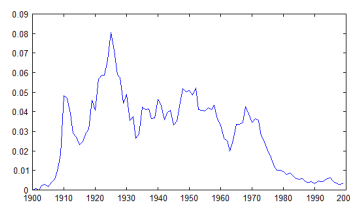

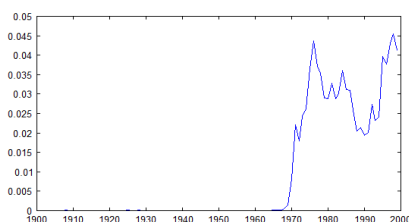

00's was time of shorts, and that continued in the 10's.

In 20's there was competition

30's was competition between comedy drama
40's, 50's, and 60's were when drama became the dominant genre

Late 60's saw the explosion of adult films

20's was the golden age of westerns
