

# Drama Queens vs. Comedy Stars – IMDB movie genre analysis

by Visakh

Who makes the most number of movies? No surprises, it's Hollywood!

But do Mandarin or Spanish movies outnumber English?

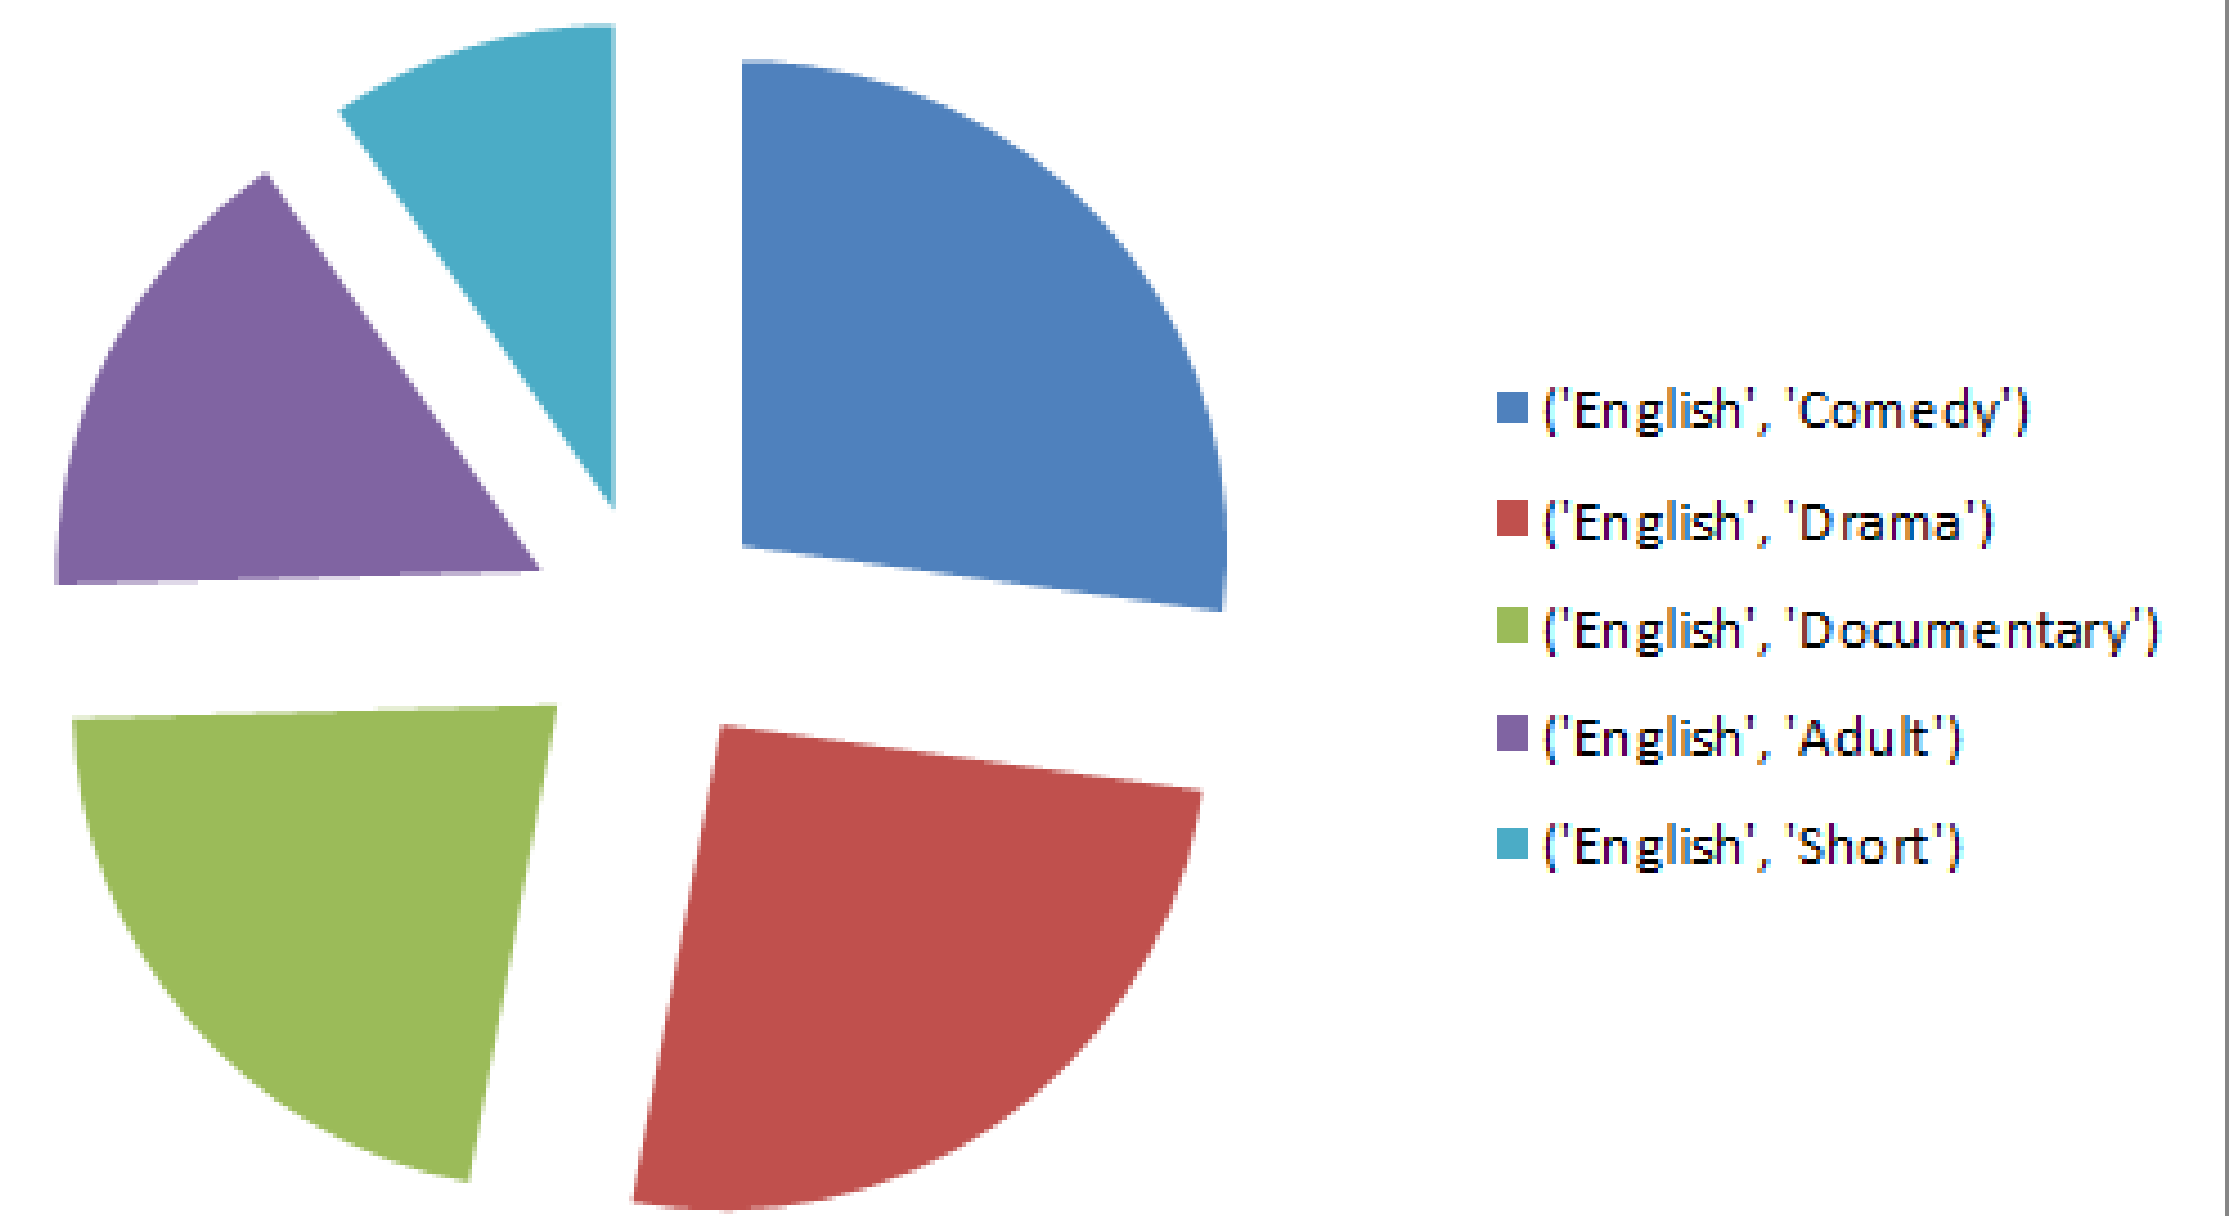

Not at all...English leads in most of the major categories...

Top 10 movie producing countries

Let's see

Top 5 pieces of the pie by language

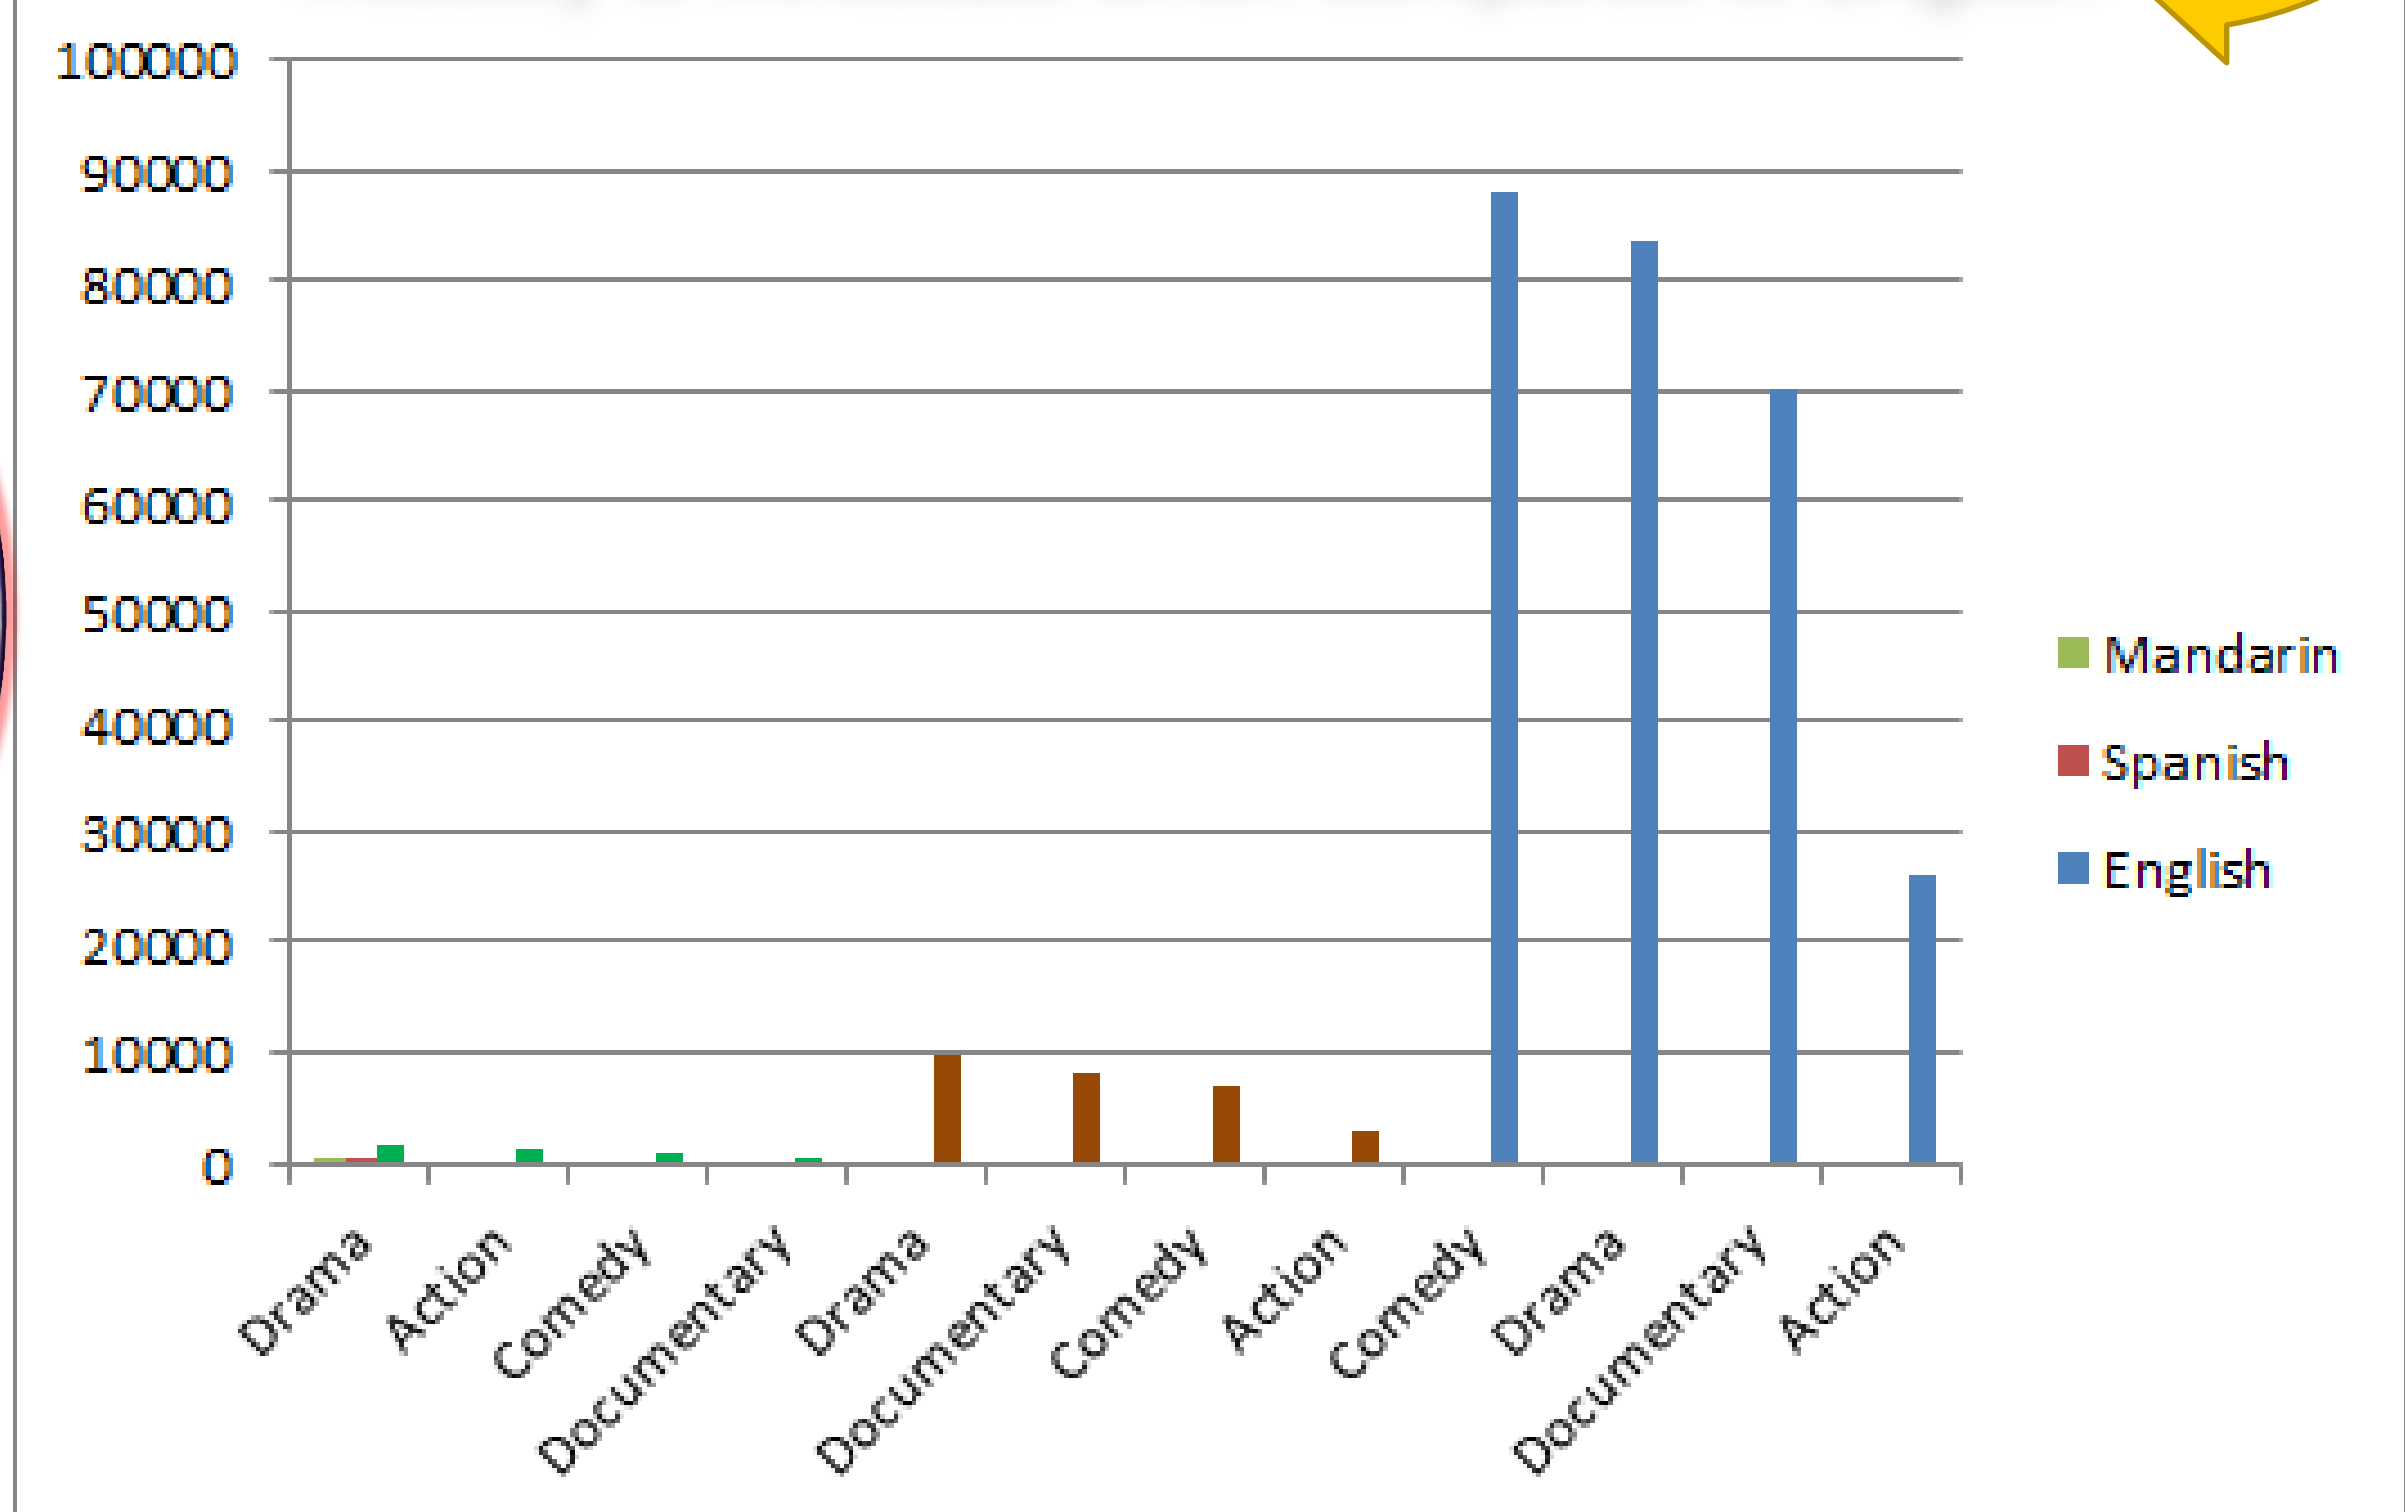

Top movies by Genre

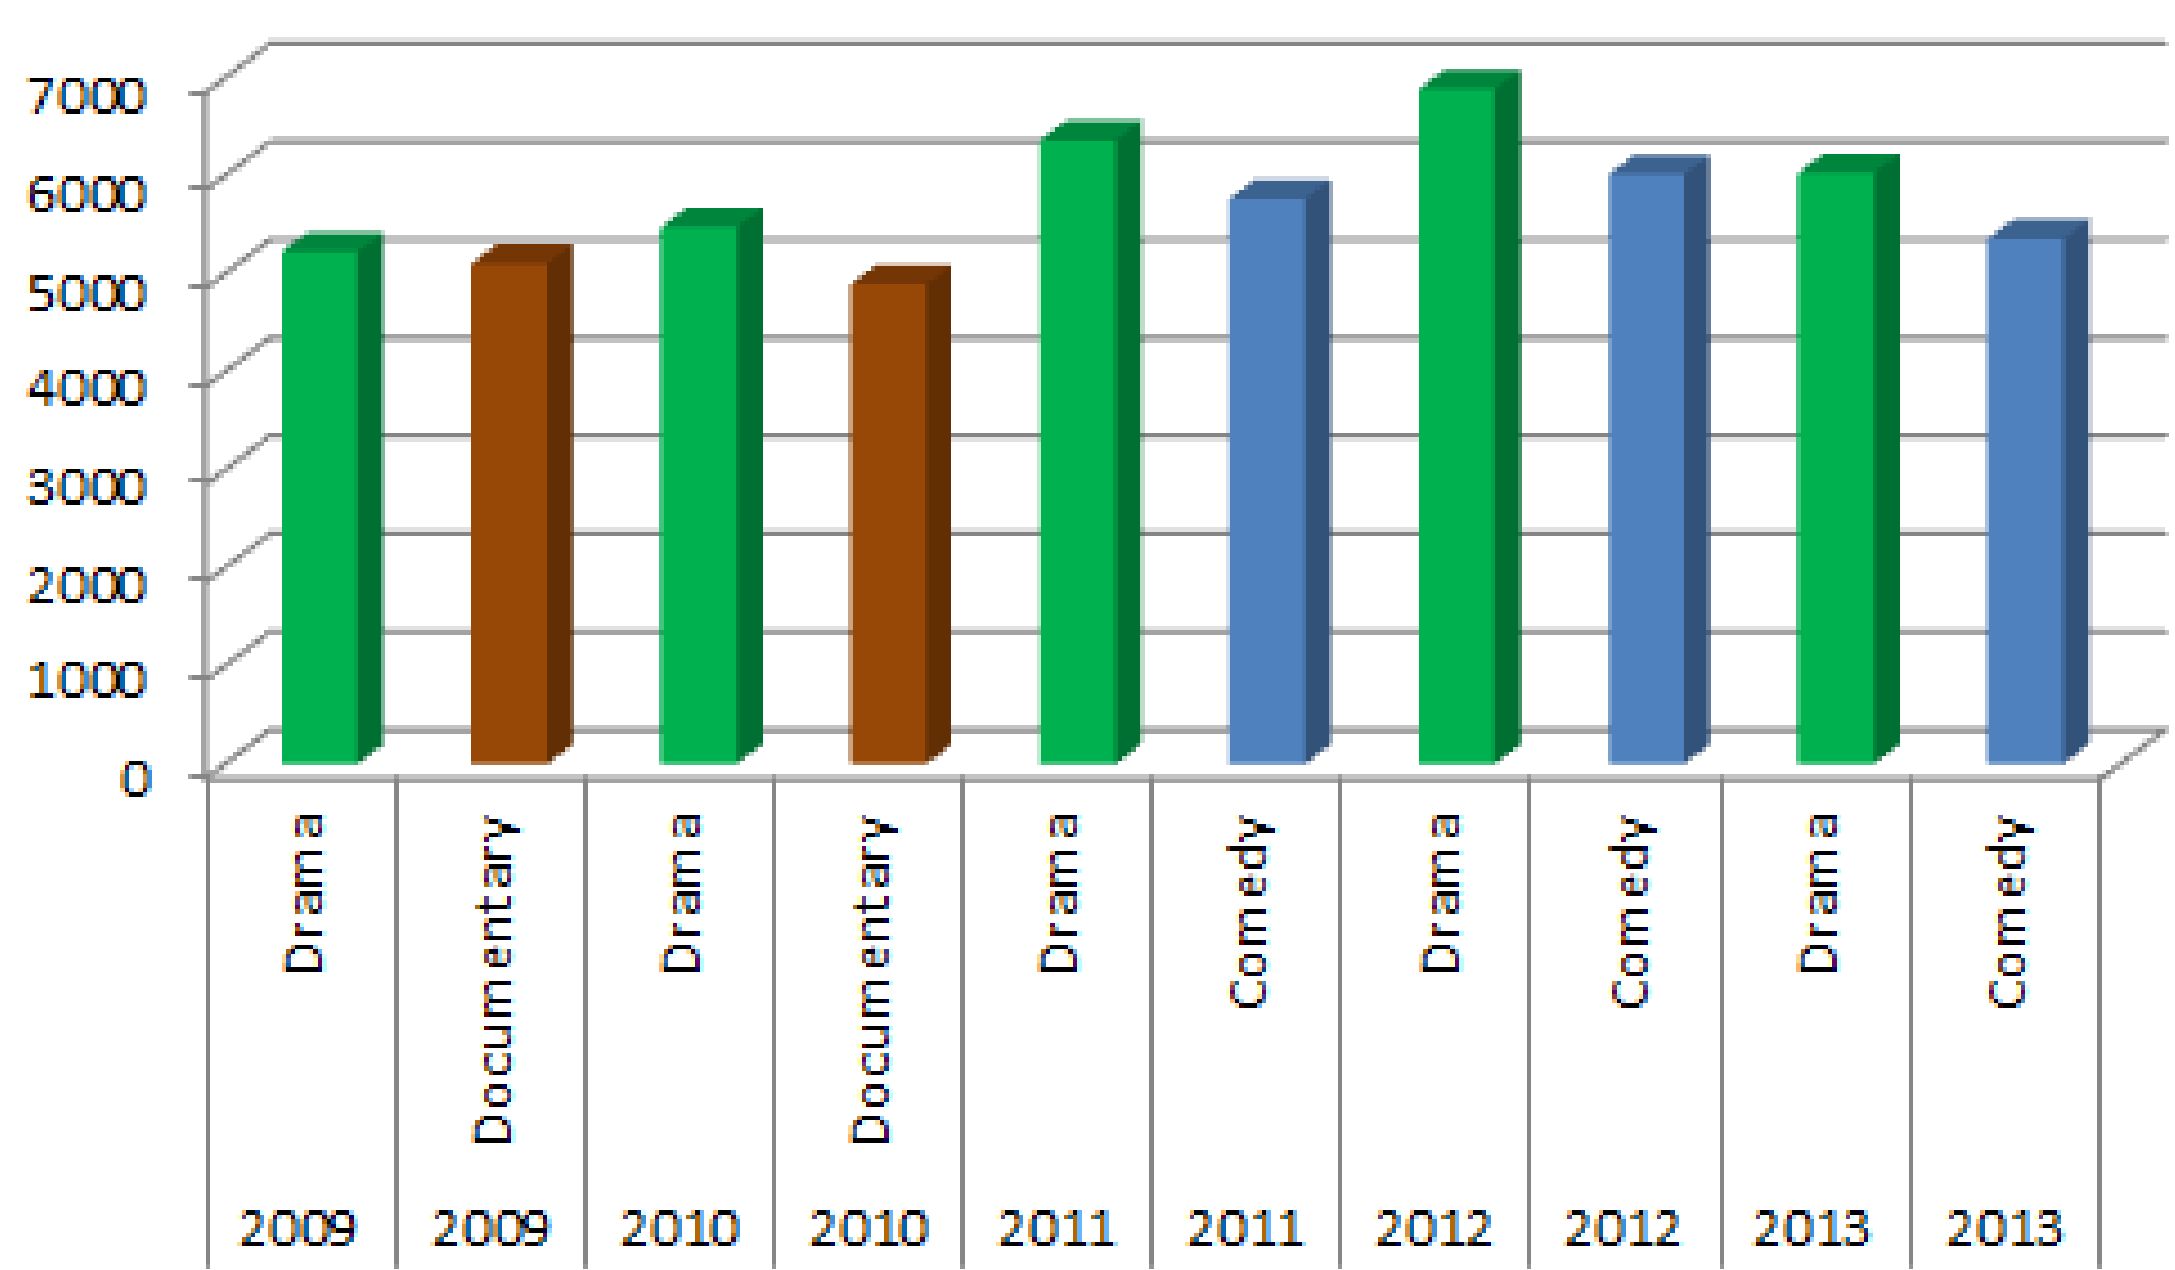

Let's have a look at the top genres of movies made till now. Short films rule the day with Drama & Comedy trailing behind..

Share of top two languages of the world in the movie industry is miniscule when compared to English

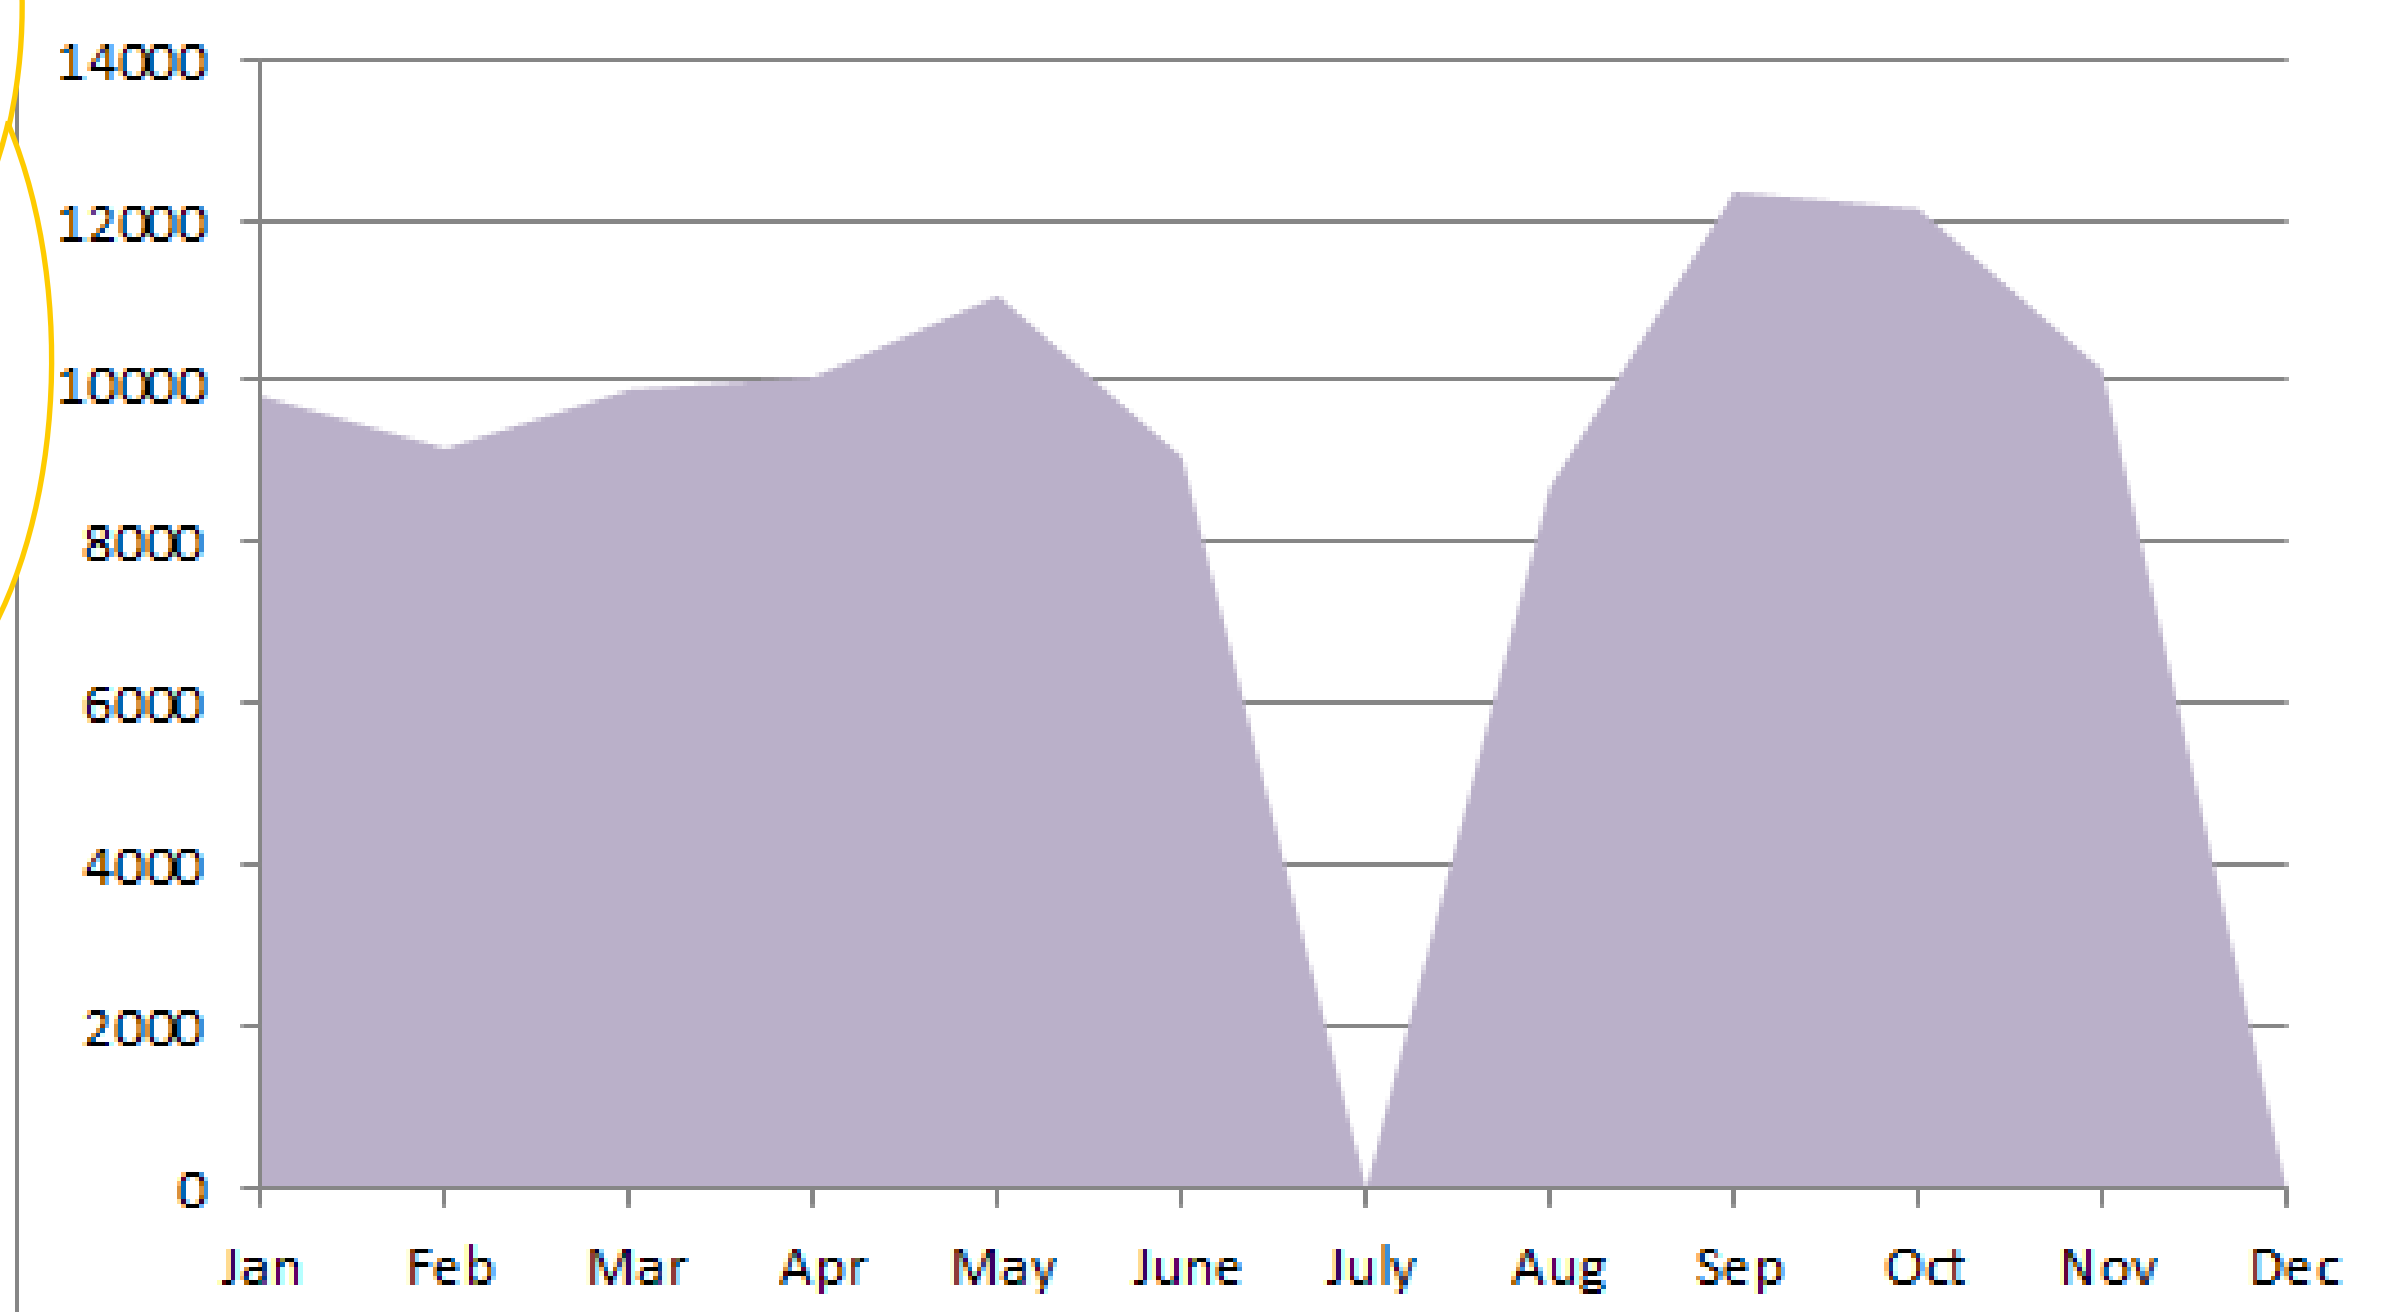

Choose your favorite genre. Sorry, you don't have much options!

Genre by Year

If you love action and sci-fi, then sorry. At least the studios love drama most of the time of the year and comedy during summer and Christmas. Now you know when the next Home Alone & Groundhog Day releases!
